Child Sizes: Chest to fit - 5/6yrs - 22", Small/Medium Youth - 28/30", Large/Extra Large Youth - 32/34"

Dear customer,

Thank you for choosing Born and Bred Equestrian!

We look forward to producing your tailor made garment in your choice of colours and print design. A standard personalised baselayer is printed with up to three separate print areas on your shirt. You can choose where these areas are, how large they are and what detail is printed. Each additional print area is charged at £8.00.

Print should be of one solid colour in each print area, but each print area can be of a different colour if required. If you have a logo or image that you would like printed, please supply this single colour image via email in .bmp format at a minimum resolution of 300dpi.

When we have received all your print requirements, we will construct a design sheet which will be returned to you via email as a proof, which, when you are happy with the design, is signed off and the top is printed and sent out to you.

We try and turn around the tops as quickly as possible, but ask that you allow up to 10 working days for your top to arrive with you (UK residents). If you need your top sooner, we can send in guaranteed fast track post, and carriage charge for this service is £6.90.

As tops are personalised for the customer and are checked for damage/defects before posting, we are not able to accept returns. Please check sizing and print details carefully before signing off artwork for print.

Please let us know the areas you would like to print, what you would like printed and the colour print.

*Be colourful, be bold, be personalised, be warm, be Born and Bred...*
